

**AES Japan Section Conference in Sendai, 2012**  
**—Future of Multichannel Audio—**  
**Call for Papers for the Technical Session**

The conference holds technical poster sessions in Audio Engineering. The poster presentations will benefit both presenter and participants to have face-to-face discussions and deeper understanding on the subject. The CD-ROM containing manuscripts will be widely distributed to not only the presenter but all participants to the conference. Your contribution to the technical session is greatly appreciated.

Papers Chair  
Marui, Atsushi

**Theme**

Future of Multichannel Audio

(Papers out of scope of this theme are welcomed too.)

**Dates**

October 9th to 11th, 2012 (Technical Session will be held on 10th and 11th)

**Location**

Sendai Mediatheque (2-1 Kasuga-cho, Aoba-ku, Sendai, Miyagi, Japan)

**Presentations**

Presentations are to be done in the style of poster session. Posters are hanged on the wall for the course of conference and the conference includes one to two hours of dedicated poster session where the authors are requested to be available by the poster. Also, there will be a brief oral presentation session (one to two minutes per poster).

**Application**

Please send an application form (which includes abstract and précis) to Technical Session Committee ([conf2012-papers@aes-japan.org](mailto:conf2012-papers@aes-japan.org)) no later than June 14th by electronic mail. The application form can be found at the end of this call for papers or downloaded from <http://www.aes-japan.org>. The committee will notify the author about the acceptance by June 21st. However, the conference committee reserves the right to reject papers after reviewing the final manuscript.

A complete electronic manuscript (papers of four to ten pages in length are encouraged) submitted before July 31st is required before the paper can be accepted for presentation at the conference. Presenting authors will be required to pay the full conference registration fee, and only then they will receive a free CD-ROM of the papers. Presenting authors who are student members and whose papers are accepted for presentation will be eligible for the Japan Section Student Paper Award.

If you are traveling abroad to Japan, please note neither the conference committee nor AES Japan Section will assist or guide your entry to Japan in any way.

Proposal Deadline: June 14th, 2012 Acceptance E-mailed: June 21st, 2012 Paper Deadline: July 31st, 2012
